We, the Class of 1958, wish to dedicate this edition of the Echoes to our superintendent and three of our former teachers, Mr. Branstetter, Mrs. Patterson, Miss Coit, and the late Mrs. Brincefield for their well guided path for the youth of the Spencerville Community.

Lives of great men all remind us  
We can make our lives sublime,  
And, departing, leave behind us  
Footprints on the sands of time:

Footprints that perhaps another  
Sailing o'er life's solemn main,  
A forlorn and shipwrecked brother  
Seeing, shall take heart again.

 How pure, at vesper-time  
 The fan bells chiming!  
 God gave me hills to climb,  
 And strength for climbing!

We are the sum total of our thoughts.  
 What we are going to be we are  
 becoming--and it is our thoughts that  
 are shaping our destiny. We all should  
 take inventory of our thoughts to really  
 see just what we are thinking, and how  
 we are thinking. If we consistently  
 think thoughts that are colored with bit-  
 terness, jealousy, distrust, poverty,  
 failure, ill health--even grief, it is quite  
 likely that we will have a chance to re-  
 view them ruefully some day-----.  
 Slam the gates on such thoughts---then  
 you may become the happy person you  
 have a right to become.

# JUNIOR CLASS

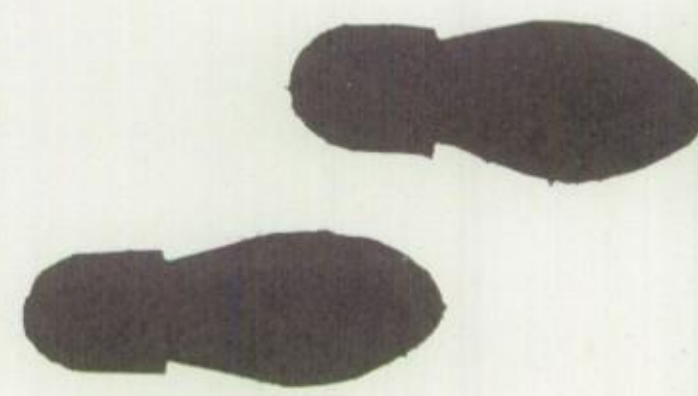

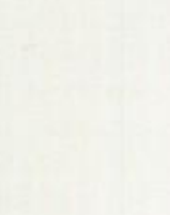

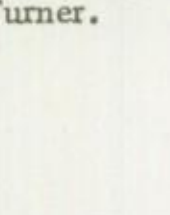

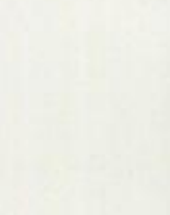

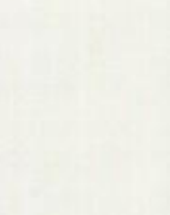

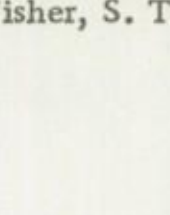

At the beginning of the year several new students were welcomed into the class, which was well represented in such school organizations as the band, choruses, Latin Club, newspaper staff, sports and cheerleaders. The class president, Jim Krendl, represented Allen County in the final Ohio History essay examination at Ohio University.

The Junior Play was a presentation of the delightful comedy, "Books and Crooks." This play prepared the way for the Junior-Senior Prom; a memorable experience always looked forward to by the student body.

The juniors would like to express their appreciation to their sponsors, Miss Fritz and Mr. Rolfes, who helped guide the class through a very wonderful and prosperous year.

## BOOKS AND CROOKS

The three act comedy, "Books and Crooks," was presented by the Juniors late in November. The story took place in a school with Principal Henly being held captive while an armed bank robber impersonated him and took charge of the school. Not being highly educated, the robber had his own ideas on how a school should be run. The poor secretary was greatly astonished in the change of policy and discipline although the students really appreciated the new and understanding principal. All turned out for the best when the robbers were captured and Henly, realizing he had been much too strict, resolved to turn over a new leaf.

MEMORIES 1888-1957

"THE TWO TEMPLES"

A builder builded a temple:  
He wrought with care and skill;  
Pillars and groins and arches  
Were fashioned to meet his will.  
And men said, when they saw its beauty.  
"It shall never know decay;  
Great is thy skill, O builder,  
Thy fame shall endure for aye."

A teacher builded a temple:  
She wrought with skill and care,  
Forming each pillar with patience,  
Laying each stone with care.  
None saw the unceasing effort;  
None knew of the marvelous plan;  
For the temple the teacher builded  
Was unseen by the eyes of man.

Gone is the builder's temple,  
Crumbled into the dust,  
Pillars and groins and arches  
Food for consuming rust.  
But the temple the teacher builded  
Shall endure while the ages roll;  
For that beautiful unseen temple  
Was a child's immortal soul.

"LIVES OF GREAT MEN"

Lives of great men all remind us  
We can learn the way to live  
And departing leave behind us  
All the best we have to give.

Full discussion, friendly, earnest,  
Serves us better than a creed  
Pass along the truth thou learnest;  
Try it out in word and deed.

Let us then our problems facing  
Welcome every ray of light -  
New ideals, still embracing,  
Grow in knowledge of the Right!

## BASEBALL

The Spencerville baseball team showed a lot of enthusiasm and co-operative spirit through their short season.

Due to weather conditions the team was rained out of many games.

## TRACK

Our track season got off to a slow start this year because of so much rain. Many of the meets has to be cancelled.

We placed fourth in the Northwest Conference track meet. On May 7 we traveled to Celina for a meet with Celina, St. Marys, and Wapakoneta. We came in second only four points behind Wapakoneta. Our regular track season ended with a meet with Delphos St. Johns.

On May 17, a few members of the squad entered the district meet at Bowling Green.
